CHITTENDEN COUNTY
7th Annual Event**

The Step Into Action- Chittenden County Recovery Walk Seeks Your Support

On September 21, 2019, we'll bring together people in recovery, community members, health professionals, families and friends to celebrate the positive role recovery plays in our lives and our communities. Together we'll walk through downtown Burlington on a route that celebrates recovery, and gather together at the Unitarian Universalist Society at the top of Church Street to share stories, build community, enjoy food, refreshments, music, and much more.

*Last year Step Into Action- VT events all around Vermont drew more than 250 people and raised over \$15,000 for recovery centers and other programs supporting recovery throughout Vermont. We are thrilled with the impact of last year's events, and are striving to raise even more money this year. All funds donated during the events will be dispersed to participating recovery resources around the state.**

But we can't do it without your help!

By sponsoring this event, your organization will help provide hope to 23+ million Americans living in recovery, and the many more who have yet to find it.

We are also seeking in kind donations for the Recovery Walk. This could include items to raffle off (a popular part of our event) or food and beverage donations for event goers. If you have additional ideas on how you can support the event, we would love to hear from you!

Every September, SAMHSA sponsors National Recovery Month to increase awareness and understanding of mental health and substance use issues, and celebrates the people who recover. Each year we join this movement to help bring the message to our own communities. As the State of Vermont is affected more than ever by this epidemic, it is vital to recognize that recovery is possible. This is your opportunity to be a part of the positive stories of recovery.
